

Found in a new world
that's flooded with smiles,
new dawns that show me
the new life I have found.
Answers in everything,
peace warm inside me,
no one can tell me
that it's all a lie!

I feel a new person,
with a new beginning,
born of the Light
that has shown me the way.
My soul once restricted when it was imperfect
has opened and flowered
within this great Light.

My heart it is full,
my new soul sweet and lovely,
filled with a Life Force
the world doesn't know;
a new world of the Spirit
that we cannot open,
is opened for us
by God's free gift of Love.
